In an email dated June 7, 2017, you amended your request to exclude the following public officials: Senator Jeffry "Jeff" Flake, Senator Dean Heller, Congressman Evan Jenkins, OH Treasurer Joshua "Josh" Mandel, and Attorney General Timothy "Tim" Fox.

Your request was assigned to the Office of the Executive Secretariat (ES) to conduct a search of their files for responsive records. ES conducted a search of the Electronic Document Online Correspondence and Concurrence System (eDOCS). This system tracks all formal correspondence to and from the Offices of the Secretary, Deputy Secretary, and Under Secretaries of Energy, and is where records of such correspondence are likely to be found.

The search started June 13, 2017, which is the cutoff date for responsive documents. ES has completed its search and identified fourteen (14) documents responsive to your request. These documents are being released to you as described in the accompanying index.

Upon review, DOE has determined that certain information should be withheld from the documents pursuant to Exemption 6 of the FOIA, 5 U.S.C. § 552(b)(6).

Exemption 6 generally is referred to as the "personal privacy" exemption; it provides that the disclosure requirements of FOIA do not apply to "personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy." 5 U.S.C. § 552(b)(6). In applying Exemption 6, DOE considered: 1) whether a significant privacy interest would be invaded; 2) whether the release of the information would further the public interest by shedding light on the operations or activities of the Government; and 3) whether in balancing the privacy interests against the public interest, disclosure would constitute a clearly unwarranted invasion of privacy.

The information withheld under Exemption 6 consists of the names of private individuals. This information qualifies as "similar files" because it is information in which an individual has a privacy interest. Moreover, releasing the information could subject the individual to unwarranted or unsolicited communications. Since no public interest would be served by disclosing this information, and since there is a viable privacy interest that would be threatened by such disclosure, Exemption 6 authorizes withholding the information. Therefore, we have determined that the public interest in the information's release does not outweigh the overriding privacy interests in keeping it confidential.

This satisfies the standard set forth in the Attorney General's March 19, 2009, memorandum that the agency is justified in not releasing material that the agency reasonably foresees would harm an interest protected by one of the statutory exemptions. This also satisfies DOE's regulations at 10 C.F.R. § 1004.1 to make records available which it is authorized to withhold under 5 U.S.C. §

552 when it determines that such disclosure is in the public interest. Accordingly, we will not disclose this information.

Pursuant to 10 C.F.R. Part 1004.7(b)(2), I am the individual responsible for the determination to withhold the information described above. The FOIA requires that "any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of the portions which are exempt." 5 U.S.C. § 552(b). As a result, a redacted version of the documents are being released to you on accordance with 10 C.F.R. § 1004.7(b)(3).

This decision, as well as the adequacy of the search, may be appealed within 90 calendar days from your receipt of this letter pursuant to 10 C.F.R. § 1004.8. Appeals should be addressed to Director, Office of Hearings and Appeals, HG-1, L'Enfant Plaza, U.S. Department of Energy, 1000 Independence Avenue, S.W., Washington, D.C. 20585-1615. The written appeal, including the envelope, must clearly indicate that a FOIA appeal is being made. You may also submit your appeal by e-mail to OHA.filings@hq.doe.gov, including the phrase "Freedom of Information Appeal" in the subject line. The appeal must contain all the elements required by 10 C.F.R. § 1004.8, including a copy of the determination letter. Thereafter, judicial review will be available to you in the Federal District Court either (1) in the district where you reside, (2) where you have your principal place of business, (3) where DOE's records are situated, or (4) in the District of Columbia.

You may contact DOE's FOIA Public Liaison, Alexander Morris, FOIA Officer, Office of Public Information, at 202-586-5955, or by mail at MA-46 Forrestal Building 1000 Independence Avenue, S.W. Washington, D.C. 20585 for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

The FOIA provides for the assessment of fees for the processing of requests. See 5 U.S.C. § 552(a)(4)(A)(i); see also 10 C.F.R. § 1004.9(a). In our June 12, 2017 letter, you were informed that your request was categorized under the DOE regulation that implements the FOIA at 10 C.F.R. § 1004.9(b)(3), as a "news media" requester. Requestors in this category are charged fees for duplication only and are provided 100 pages at no cost. However, because processing costs did not exceed $15.00, the minimum amount at which DOE assesses fees, no fees will be charged for the processing of this request.

If you have any questions about the processing of the request or this letter, you may contact Ms. Auborn Finney at:

MA-46/Forrestal Building
1000 Independence Avenue, S.W.

I appreciate the opportunity to assist you with this matter.
