Subject: Senator Cruz Request to Mr. John Lochaby

Dear Nathan,

The attached communication was forwarded to Senator Cruz's office by who is concerned about a matter that falls within your Federal Railroad Administration's jurisdiction. We would appreciate it if appropriate inquiries could be initiated on their behalf, and if a full response could be prepared for me to report to the constituent.

It would be very helpful if the attached were to accompany your response. In the event you require more information, please do not hesitate to contact Senator Cruz's office at (512) 916-5834 or by fax at (512) 916-5839.

Thank you for your attention to this request.

Please be aware that implementing a quiet zone does not result in the total silencing of horns because anything that might be considered a safety hazard is considered cause for a locomotive engineer to sound the horn.

I hope you find this information helpful, and thank you for writing.

Sincerely,

Joseph C. Szabo
