TO THE BUILDING INSPECTOR: In accordance with Section 7-18 of the Municipal Code of the City of Oshkosh, it is agreed that if work shall be discontinued for a period of 30 days at any time for any cause after excavation work is commenced, a solid barrier, wall, or wire fence not less than five feet in height shall be erected all around such excavation. Such barrier, wall or wire fence will remain in position until removal is approved by the Building Inspector.

X

In the performance of this work the undersigned agrees to abide by and do work pursuant to all statutes, ordinances, codes, and rules governing the described construction.
