FOIA 2021-CGFO-00122

VIA EMAIL: [redacted]

[redacted]

Dear Ms. [redacted]

This is the initial response to your Freedom of Information Act (FOIA) request to the U.S. Coast Guard (USCG), dated October 12, 2020, and received by this office on October 13, 2020. You requested "copies of the Congressional Correspondence logs that are maintained by the U.S. Coast Guard that lists congressional and/or governmental correspondence between the Coast Guard and the following Senators listed below (dates to search in parentheses).

- Lisa Murkowski (2002-Present)
- Marco Rubio (2011-Present)
- John Kennedy (2017-Present)"

We conducted a comprehensive search of files within the Office of Congressional & Governmental Affairs (CG-0921) for records responsive to your request. Using the search words "Murkowski," "Rubio," and "Kennedy," on October 13, 2020, Ms. Margaret Johnson conducted a search of the "Executive Correspondence Tracking" (ECT) system and produced the requested congressional correspondence logs. This search produced a total of 12 pages of logs.

We are granting your request under the FOIA, Title 5 U.S.C. § 552, as amended, and DHS' implementing regulations, 6 C.F.R. Chapter I and Part 5. After carefully reviewing the responsive documents, I determined that they are appropriate for public release. They are enclosed in their entirety; no deletions or exemptions have been claimed.

Provisions of the FOIA allow us to recover part of the cost of complying with your request. In this instance, because the cost is below the $14 minimum, there is no charge. 6 CFR § 5.11(d)(4).

Because the ECT system only contains correspondence back to 2007, the search results do not include correspondence relating to Senator Murkowski from 2002-2006. If you still would like these logs, the records will need to be manually searched, which will take some time. Before we begin this time-consuming search process, we want to ensure that you are still interested in continuing the processing of this portion of the request. Please indicate your continued interest in pursuing the logs from 2002-2006 within 30 days from the date of this letter, or we will assume you are no longer interested in this portion of the FOIA request, and the case will be closed as is.

If you need any further assistance or would like to discuss any aspect of your request, please contact our office at 202-245-0520 and refer to FOIA 2021-CGFO-00122. You may contact our FOIA Public Liaison by sending an e-mail to efoia@uscg.mil, or calling 202-475-3522.

If you are not satisfied with the response to this request, you have the right to appeal. Should you wish to do so, you must send your appeal and a copy of this letter, within 90 days of the date of this letter, to: Commandant (CG-611), ATTN: FOIA APPEALS, 2703 Martin Luther King Ave. STOP 7710, Washington DC, 20593-7710 and follow the procedures outlined in the DHS regulations at 6 C.F.R. § 5.9 available at www.dhs.gov/foia.

Additionally, you have a right to seek dispute resolution services from the Office of Government Information Services (OGIS), which mediates disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. OGIS may be contacted at: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001; e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

Sincerely,

Michele Zauche
