REVIEW AUTHORITY:

The Director of Community Development, or designee, must approve all plans, except the following: (1) Alterations or interior work when the use is conforming and when no change in use is proposed. (2) Maintenance items, e.g. siding, windows, etc., when the use is conforming and when no change is proposed.

Instances where work complies with the above criteria, the permit can be reviewed by the Building Inspector without referral to the Director of Community Development, or designee.
