07/31/2013	80	** TEXT ONLY ORDER ** On July 8, 2013, the court issued a temporary restraining order enjoining defendants from "enforcing the hospital admitting privileges requirement for abortions performed at PPW's Appleton-North and Milwaukee-Jackson centers and AMS's centers until July 18, 2013." (Dkt. 21) This order was extended on July 17, 2013, after full briefing and hearing, until the court issued an opinion and order on the preliminary injunction motion "or August 1, 2013, whichever is later." (Dkt. 61) The language of this most recent order was unfortunate in two respects: (1) the "extension of the TRO" should have been more accurately characterized as the issuance of an interim preliminary injunction pursuant to Fed. R. Civ. P. 65(a), see <i>Sampson v. Murray</i> , 415 U.S. 61, 87 (1974) ("[A] temporary restraining order continued beyond the time permissible under Rule 65 must be treated as a preliminary injunction...."); and (2) the court's reference to August 1, 2013, has the unintended consequence of creating uncertainty about the preliminary injunction's force beginning on August 1st. Although the court anticipates issuing its written decision on the motion for preliminary injunction by week's end, to avoid any misunderstanding, IT IS ORDERED THAT the preliminary injunction issued on July 17, 2013, is extended until August 8, 2013, or issuance of the court's decision, whichever is later. Signed by District Judge William M. Conley on 7/31/13. (krj) (Entered: 07/31/2013)
